A. Scope of validity and conclusion of a contract

You conclude a contract of carriage with WIENER LINIEN when you:

- Board a tram or a bus (in normal service or operated on behalf of Wiener Linien) or
- Pass the validation barrier in an underground station (the area in underground stations where ticket validators indicate that you require a ticket). This is irrespective of whether you then travel on the underground or not.

By concluding such a contract of carriage, our conditions of carriage are deemed as having been agreed and accepted.

B. Transport services

You are entitled to transport on the vehicles of WIENER LINIEN and on the buses operated on behalf of WIENER LINIEN if:

- You adhere to the conditions of carriage of WIENER LINIEN, the house rules of WIENER LINIEN, the fare regulations of Verkehrsverbund Ost-Region GmbH (www.vor.at) and the applicable statutory regulations (www.ris.bka.gv.at),
- The officially approved capacity of the vehicles used for service operations is not exceeded, and
- Transport is not prevented by circumstances that are neither caused nor can be prevented by WIENER LINIEN (force majeure).

C. Tickets

1.) Tickets are any single tickets, travel passes and special offers issued in the *Verkehrsverbund OstRegion* for the Vienna zone. Single tickets are available for one or two journeys. Season tickets include, for example, annual, weekly and monthly passes as well as the 8-day climate ticket (*8-Tage-Klimakarte*). Special offers include passes for pupils, trainees and students, for example. More information about the entire range of tickets and passes offered by WIENER LINIEN is available, among others, at our information and ticket counters, on our ticket vending machines and on the website www.wienerlinien.at, as well as on our mobile app (*WienMobil*).

2.) You can buy tickets, for instance, at our information and ticket counters, at ticket vending machines, by using the WienMobil app, from our sales partners (tobacconists) or using our online ticket shop at <https://shop.wienerlinien.at>.

3.) You must be in possession of a valid and, where necessary, validated ticket when passing the validator barrier at underground stations or when boarding trams (also refer to Point 4) or buses. In the event that you undertake a journey using a mobile ticket, you need to be able to present this via the WienMobil app from the time you cross the validation barrier at the underground station or after boarding trams or buses.

4.) If your stop is not equipped with a ticket machine, you need to purchase a valid ticket before boarding a bus (e.g. using the WienMobil app) or, when you are travelling by tram, from the ticket machine on board immediately after boarding.

5.) Keep your ticket safe until you leave the tram or bus, or until you cross the validation barrier at the underground station.

6.) Tickets that are written on (with the exception of cases where a name or an ID/student number has to be entered in pen), printed on, validated several times or incorrectly (e.g. on the reverse side) or modified in any other way (e.g. the cutting of ticket strips or lamination) are invalid.

7.) It is not possible to interrupt a journey when using a single ticket. If it is necessary to walk a short distance to change to a connecting service, this does not count as an interruption to of the journey.

D. Fares and refunds

- 1.) Please refer to the applicable fare regulations of *Verkehrsverbund Ost-Region* for the fare to be paid for your respective journey. These are available at our information and ticket counters and on our website at www.wienerlinien.at/ticketstellen as well as via the WienMobil app.
- 2.) Please note that you will need to pay a higher fare if you purchase tickets on a tram. Have the exact amount of cash counted and ready as there is no guarantee that change can be given.
- 3.) Check your change immediately. Claims made at a later point in time cannot be accepted.
- 4.) You have no right to return tickets for the Vienna core zone and receive a refund. Any refunds granted by Wiener Linien are solely on a voluntary basis. Please refer to the fare regulations for the Verkehrsverbund Ost-Region for the relevant rules.
